Gayle,
It has been nice knowing
you this year. Last year we
didn't know each other well.
But this year we seemed
to get along alright. Stay sweet

We the Senior Class of 1978 would like to dedicate this annual to a person who has contributed not only her time but her understanding to North Stanly. She is a person who takes on more responsibilities than are necessary. She was one of the hardest workers on the Junior Prom Committee. She is always there when you need her, and never gets discouraged when the going gets rough. All students who participate in any activity she sponsors always enjoy themselves. It is a great honor to dedicate this year's annual to Mrs. Judy Ferguson.

mr. heaton and mr. mills, the heads of administration

heaton head of administration

Our principal, Paul G. Heaton, likes the friendliness of the students and feels that they should study, learn, and go to college. Rewarding things come with a principal's job, such as seeing people become successful and knowing that he might have helped them. Mr. Heaton enjoys golf, square dancing, water skiing, and playing the guitar.

He graduated from Appalachian University and has two children and one grandchild

mills assists in everyday affairs

Our own assistant principal, James Mills, graduated from UNC-Chapel Hill in 1956. He came to North in 1965 and taught Physical Science and Algebra until given a higher position. He says his best advice to students is to participate in school activities and enjoy school, while being serious about it. He enjoys talking to students who have adjusted to a problem that they might have had within the school. Outside of school Mr. Mills enjoys carpentry and photography, but right now his favorite hobby is macrame

blalock, new guy at north

Mrs. Martha Wolfe graduated from UNC-Charlotte, earning a B.A. in Psychology and a minor in Guidance and Counseling Education. The most rewarding thing she finds about her job is that something new is always happening. She says that she always gets excited when good things happen to students, such as getting accepted into a college or winning a scholarship.

She thought that counseling would be an interesting job so that is the reason she chose the field. Her hobbies include a variety of things such as tennis, sewing, reading and raising African violets.

Mr. Blalock is our traveling guidance counselor who graduated from Pfeiffer College. The most rewarding thing he finds about his job is helping students weigh alternatives so that they can come to a responsible decision themselves. His best advice to students is to realize that he or she should strive to reach his full potential. Mr. Blalock's hobbies include photography and cycling.

The three ladies who work very hard to keep North Stanly on its feet are Mrs. Hall, Mrs. Frick, and Mrs. Russell. They handle money matters, keep files, and assist in other jobs of the school. When Mr. Heaton or Mr. Mills needs help, they are there to help them in any way they can. When asked about the future of NS they all agreed that it would certainly get better. According to them the students were becoming better each year, making North Stanly greater.

spirit begins!

The cheerleaders at North Stanly not only arouse spirit at ball games, but they do a great many things behind the scenes. They attended cheerleading camp at UNCC and held 2 practices a week. During football season they had 4 successful pep rallies, presented Cokes to players after football camp, fed the team watermelons after 1st game and sold buttons, ribbons and pompoms to the student body. Before the Albemarle game they sponsored an exciting Spirit Week and a bonfire the night before the game which stirred a lot of enthusiasm before the famous rivalry. Thank-you, girls, for a job well done!

"junior" comets fight hard

The 1977 edition of the NSHS JV Football team was the first JV team in a number of years. The team consisted primarily of freshmen and a small number of sophomores. The team played well considering the odds. The other teams were playing primarily sophomores and that year's experience makes a difference. The Junior Comets played with pride in each game — their record was 2 wins, 7 losses and 1 tie.

Well! There is always that beginning before varsity. That point just before you can get up and show all of North that you are a freshman cheerleader. Later you may even become a varsity cheerleader. At this point freshman cheerleading is very exciting. There is the thrill of away ballgames and cheering for the winning team!

Those seven girls who are always ready to break their backs to support NSHS are none other than the Junior Varsity Cheerleaders. They are always at the ball games with smiling faces and loads of cheers. They have been very active this year by attending camp at UNC-C July 18-23 and sponsoring a bake sale also in July. They have shown great enthusiasm and have promoted much school spirit throughout the year. Keep up the good work, girls!

comettes finish 2nd in conference

The Comettes returned lettermen Betty Cunningham, Selma Grambling, Kim Faulkner, Debra Hatley, Donna Medley and Kim Williams from last year's fine 25-3 team. The team has been strengthened by Patricia Benson, Vicky Hall, Cynthia Chandler, Tina Haire, Beth Laxton, Anita Owens, Terri Roberts, and Tammy Sides, all up from last year's undefeated J.V. team.

The Comettes blended speed shooting, rebounding, teamwork and team spirit to jump into first place in the SPC, a position they have held since the opening game.

We continued fine play, the goals of conference changes, District Champs and State Champs all appear within reach of the Comettes.

Left to right Manager Nathan Smith, Steve Carrick, Dave Jones, Keith Wilson, Vernon Davis, Clarence Griffen, Derek Mauldin, Manager Ted Smith. Standing Scorekeeper Steve Carrick, Anthony Jones, Roger Prince, Tim Merriman, David McMillan, and Audrey Kelly.

Tim Merriman was North's only returning starter from last year. He carried the scoring load along with help from Roger Prince and Vernon Davis, the quarterback of the team, Derek Mauldin, and Keith Wilson. Gerald Davis handled the floor game and contributed some important baskets. David McMillan, Clarence Griffen, and Antony Jones also assisted in providing points for the board.

Mr. Kelly commented that the overall team desire is good and teamwork is greatly improving. He also said that each young man has made valuable contributions in various areas. Much appreciation goes to the managers: Ted Smith, Steve Carrick, and Nathan Smith, and also to their scorekeeper, Audrey Pickler.

The reputation was built by skill. There's nothing else like heading to the top; we are the champions to the end. What else is North Stanly famous for but producing famous basketball teams? The 1977-78 Varsity Boys were no exception.

This year's JV girls' team did not look promising at the beginning of the year, but determination and Comet Pride have the keys to success. With two games remaining the girls have a record of 12 wins and 5 losses. The Comets are led in scoring by Candy Goode and Lisa Whitley. The ball handlers and playmakers are Jeaninne Ridenhour, Francie Rich and Mitzi Williams. The wings and sharpshooters are Mitzi Williams and Jan Kinney. The remaining center and rebounder is Myrtle Ridenhour. Coach Napier says that he has enjoyed coaching this group of girls as much as any group he's had.

The surprise team of the SPC is the North Stanly JV Boys' team. The team has quickness, speed, knowledge of the game and good shooters. With three games left, the team's record is 16 wins and 4 losses. The team is led in scoring by Greg Speights, Michael Lewis and Antonio Little. The team leader is Dr. Dean Richardson. David McDonald is strong in the rebounding department and Calvin Benson strikes fear in the hearts of all opponents. Two sharpshooters who really contributed to the cause are Mike Newsome and Keith Kirk. George Thompson adds quickness, hustle, and good outstanding shooting. Earl McMillon is a strong rebounder and possesses amazing speed. According to Coach Napier, "The team may be small but they carry on the winning tradition at North."

the beginning of a new varsity

North Stanly's freshman girls' basketball team was one of the shortest teams in the SPC, with their tallest girl being 5'7". This was hardly an obstacle. The freshman girls had a record of 10-4 and finished in 3rd place. The leading rebounders were Carla Kimery, Lori Barringer, and Lisa Stokes. The leading scorers were Shanta Caple, Carla Kimery and Andrea Beach. Free throw percentage of this team was the best Coach Drye had ever coached.

This year's freshman Comets showed a great deal of potential. There were several players that made significant contributions to the overall team effort. The freshmen finished with a 9-5 record. I think they were a better basketball team than their record indicated. They were involved in some close ballgames that could have gone either way.

we're the name of the game

M. McLain, D. Rudisill, D. Ward, B. Grundhoefer, J. Burns, D. Franklin, Coach Herlocker

Mr. Herlocker is the sponsor of the golf team. They finished 5th in the Conference Tournament. David Ward, a senior, had the best season. His average was 76.0 strokes a match. He was 7th in the North Piedmont Conference. David Rudisill, a senior, finished 13th. His average was 78.6 strokes. David was awarded a trophy for the lowest round during a conference match. His score was 73. Donna Franklin, a sophomore, was the only female in the WHCHSAA, her average for the season was 95.1. Brian Grundhoefer's average was 91.8 during the regular season. He received a trophy for the most improved player.

Group participation and all 'round teamwork is what Tri-Hi-Y and Hi-Y are all about. Many high school students from North Stanly and surrounding high schools participate in these basketball games. North Stanly has Tri-Hi-Y teams that have put forth good effort throughout the season. We have seven excellent Hi-Y teams that have shown great team wins throughout the year.

quality unsurpassed

Last season's girls' track team consisted of ups and downs. There were quite a few injuries on the squad. This year was a little different; the track squad had an exchange student, Lorena Gomez, who competed in the 880. The season was all in all a fantastic one. Next we will be off and running.

Could it be North Stanly had in its possession future Olympians. It sure looked that way as the North Stanly speedsters dashed through the season almost invisibly. Each young man put forth great effort and desire and in the end it paid off. Standouts such as Harold "Tidy-Bowl" Tyson, Kenny Jefferies, Calvin Poole, Earl McMillian went on to place in WNCHSAA. Numerous records were broken by our guys. The boys were led by Coach J. Cullivan.

Joe Kelly comments on the 1976-77 baseball season, "It would be nice to duplicate last year's record of 13 wins and 4 losses including the **Division One** Championship. Of the 76-77 team we lost six starters, Jed Brooks, Jeff Ridenhour, Johnny Kimrey, Ryan Roberts, Claude Lowder, and Jeff Turner. One of our senior players, Jed Brooks, was elected Player of the Year." Our coach, Joe Kelly, was elected Coach of the Year.

"It will be tough trying to replace the six starters we lost through graduation, but we have some good young players that will come around. They will show plenty of health and extra effort, and those ingredients are good to have anytime."

On April 29 the North Stanly Comets played their first game under the new lights. They were a project sponsored by the North Stanly Adult Booster Club. The lights brought the Comets a tremendous victory over North Davidson with the score 16 to 1! Way to go Comets!

first year for boys' tennis

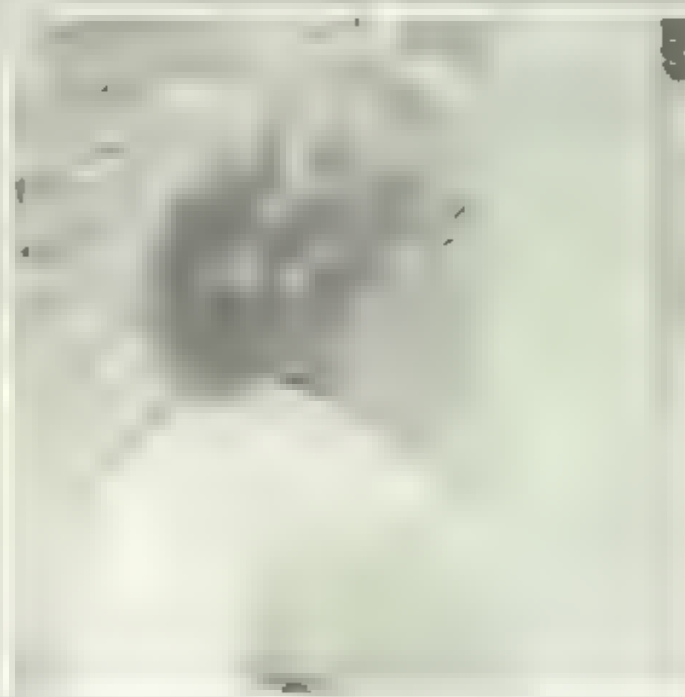

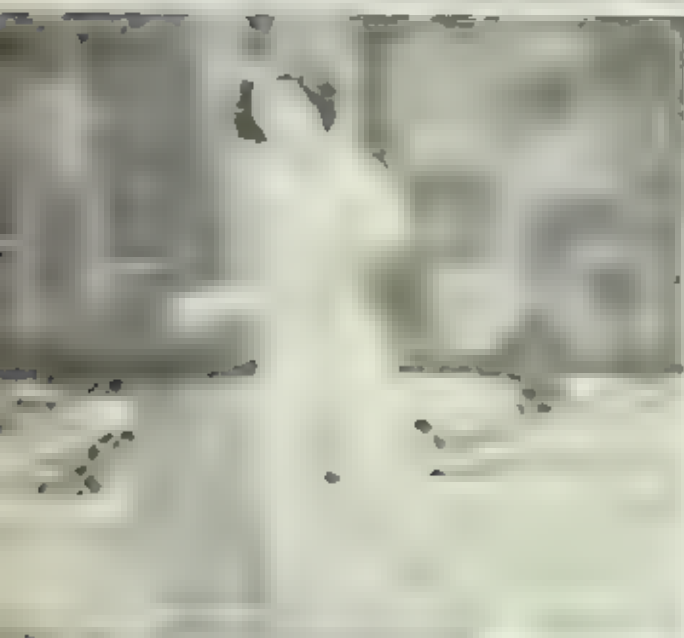

Would you believe that Mr. Ussery is a tennis coach of eight so called tennis pro's. Our boys were tough competition throughout the whole season. They did well for their first season even though they didn't win a match Good Luck next season guys

my world is tennis and . . .

What would Mrs. Hunt be doing with 12 girls who go crazy over any male with Levi's on, who can eat pizza like it's going out of style and tell the corniest jokes ever? She is trying to produce a winning tennis team. The record for their first season was 3-6. Williams and Desse led this terrific group of girls in their victories. All of them showed great spirit while playing. We are really proud to have our first girls tennis team, 1976-77.

tennis is my world

With North Stanly in their second year of tennis the team showed promising prospects for the upcoming season; throughout the summer they lost three players back

This season was quite different since the team was in a new conference. Through many wins and losses, the girls' tennis team proved to be quite an addition to the North Stanly athletic program

Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them. And you know you won't. Maybe someday it won't matter. But right now, it hurts a little.

Looking back we can remember Mr. Washington's Physical Science Class, Fireball Kelly's Biology Class, Boog's Chemistry Class, and struggling through Senior English so graduation could be a reality.

As Seniors we remember the homecoming dance, the Spring Fling . . . our last prom. Senior portraits at Rock Creek, the senior picnic, and leading pep rallies are all gone — only memories in our minds, never to be experienced again.

. . . and then graduation . . . walking into our last assembly . . . singing the Alma Mater for the final time . . . standing in line. We hear **Pomp and Circumstance** and before we know it . . . it's over. It was our year, and we remember it all with much laughter!

Handwritten notes:

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It emphasizes the need for transparency and accountability in financial reporting.

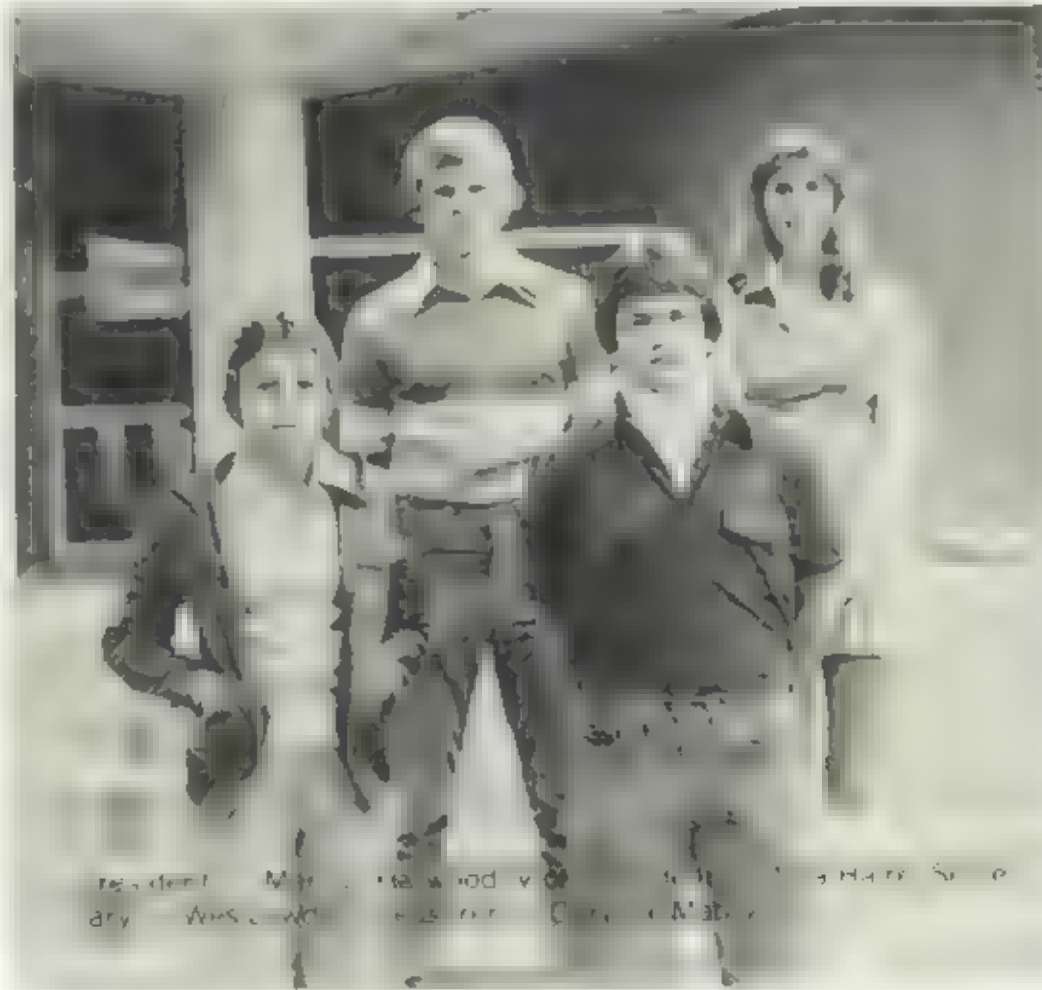

3. The second section outlines the various methods used to collect and analyze data.

4. These include surveys, interviews, and focus groups.

5. The third section describes the results of the study and the conclusions drawn from the findings.

6. It highlights the challenges faced during the research process and offers suggestions for future work.

7. Finally, the document concludes by summarizing the key points and reiterating the significance of the research.

Eleven long years have passed and only one more move to go.

It seems like yesterday when we walked into Mr. Finney's room, scared half to death. Then we found out he was just like a little kitten.

How can we forget when we received our class rings. We walked around like we owned the whole world.

When I think about all the friends that we have made from each of the different schools and the great times that we have had together. This will be a year we will never forget.

Beginning our second year at NSHS was a great experience. The hassle and embarrassment we all went through the previous year was avoided — thank goodness! Entering Mr. Finney's English class for the second straight year, along with Miss Love's geometry class was a real challenge

The sophomores have really worked hard to show their spirit this year. All of us have been proud to say "We are the most spirited class at NSHS!"

We have never been more scared in our entire lives until our first day at North Stanly

We kept asking ourselves are we wearing the right clothes or should we carry all our notebooks

Having Mrs. Hunt for history was an experience. Did we ever talk about history or did we talk about tennis and a samoya

We met so many new people. We remember when our school used to be rivals with the other schools.

We have finally overcome all of this confusion and become a part of N.S.H.S.

annual staff holds fund raising projects

What is it? A new and different experience? Then the answer to that question is to walk by Mrs. Clay's room during 5th period. Could this be North Star's Annual Staff or is it the psychiatric ward? There is no telling what you will find. But one thing is for sure, this is the hard-working, dedicated and little bit crazy people that put out your annual each year. North Star's Annual sponsor is Mrs. Jane Clayton. Co-editors are Tanya Beach and Tina Miller.

student council responsible for successful homecoming

The Student Council is North Star's own governing body. They are representatives from each home room, class presidents and club presidents. Also the student body's President is Susie Mauney, Vice-President is Dave Huneycutt, Secretary is Kim Faulkner and Treasurer is Jill Wagner.

Activities sponsored by our student council are Homecoming, the spring fling, assemblies, the painting of the student lounge, improvements around the school and many school dances.

Student Council sponsors Homecoming Pep Rally

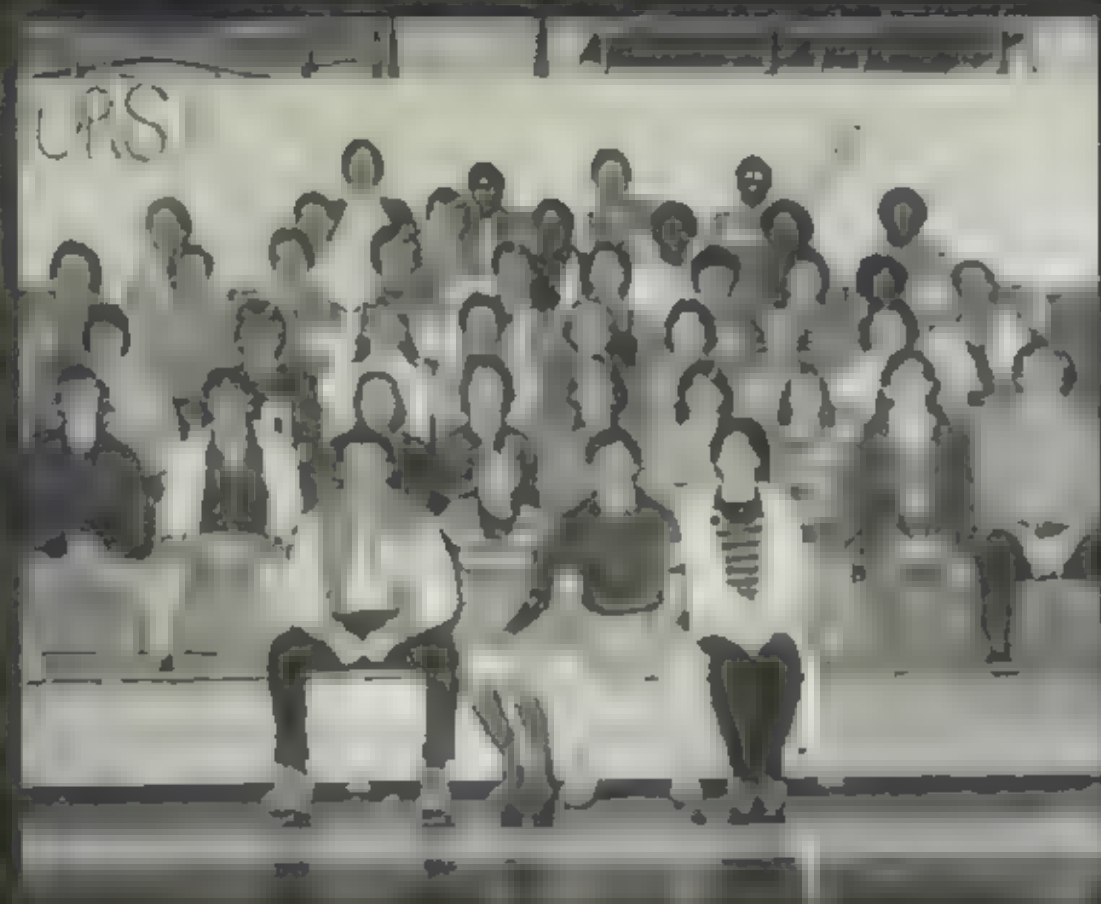

comet trails keeps us informed

The Comet Trails is a group of people who are interested in the field of journalism. Their main purpose is to keep the student body informed on the school's happenings. Some of the features included in the paper are club news, editorials, updates on sports, and Coaches' comments. The staff interviews students about ideas and opinions and also sponsors the class comet cuties. The paper is published twice a month with only a small fee charged. To be a member one must be willing to work and have average grades. The co-editors are Lynn Terry and Debra Hatley.

club sponsors annual powder-puff game

Are you exceptional in the field of sports? If so, then the Monogram Club is for you. It is the organization of all the people who have lettered in at least one sport. These people have really got the guts and spirit to get out and support our school, and we are backing them. The activities sponsored by the Monogram Club are the Monogram Disco Dance, and faculty-student softball game. The annual powder-puff game is also sponsored by Monogram. The Juniors and Freshmen beat the Seniors and Sophomores 14 to 0.

new members welcomed with secret initiation

Delicious — delightful — delicious — personal — private — privileged — exceptional — exclusive
and inspirational describes the most famous club at North Star High School. The purpose of the club is
to lift baseball to the honorable heights it so richly deserves.

Requirements for membership are being a member of the baseball team for one year and to have
intestinal fortitude; the club sponsor is Mr. Kelly himself. The officers are President — Donnie Surratt,
Vice President — Phil Morris, Sergeant-at-Arms — Joe Kelly, Jr., and Songleader — Alan Gibson.

assistants keep office in order

"Hello, North Star High School."

"May I help you?"

"Are you signing out?"

These are just a few things you might hear from the office assistants. They work extremely hard to keep the office and themselves in order. If errands need to be run, they are there to do it. They answer the phone, help students with their sign out notes, and get supplies for the teachers.

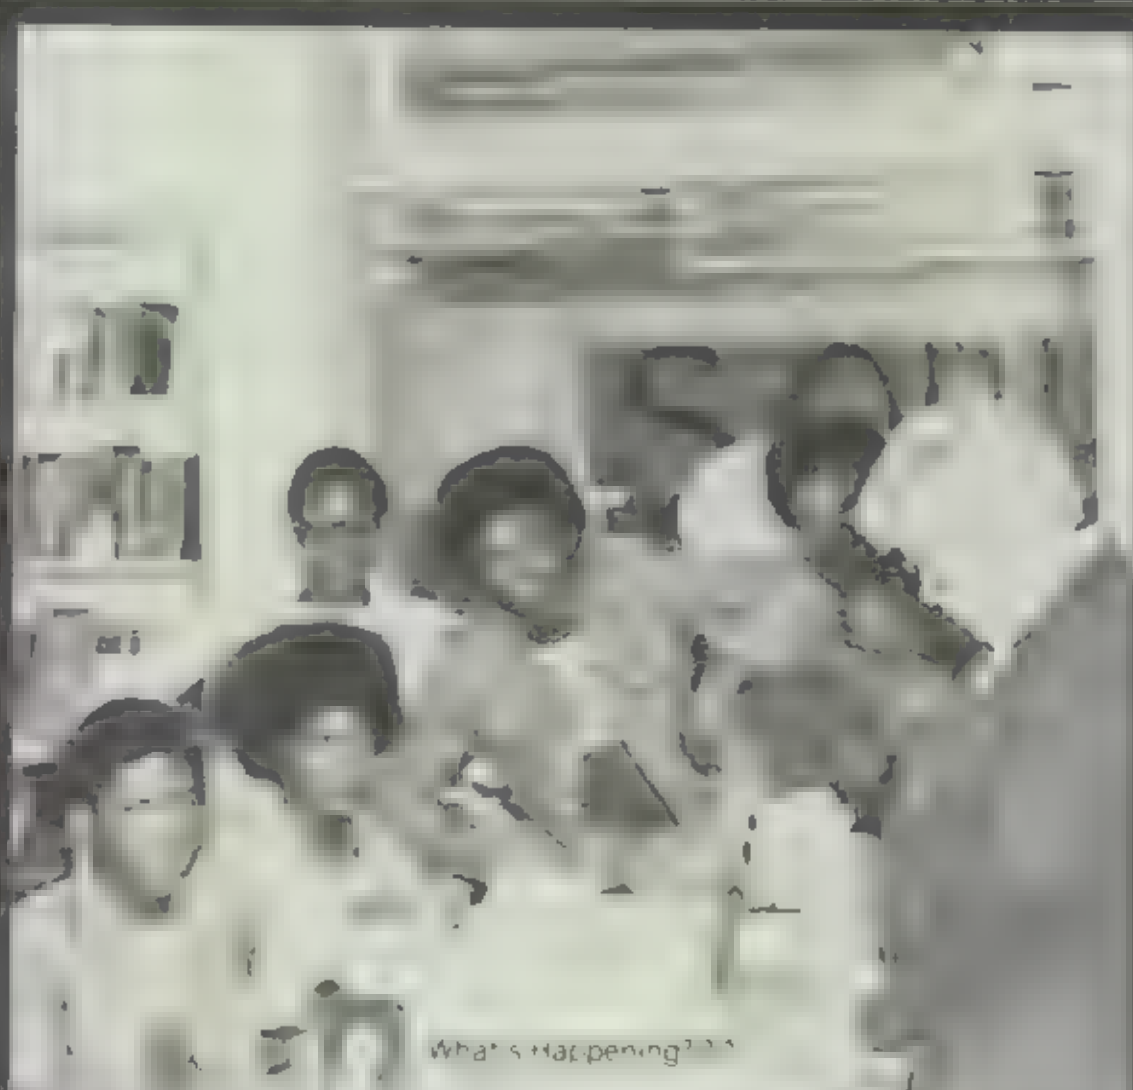

library assistants hold book fair in november

Have you ever read *Gone With the Wind* or *The Scarlet Letter*? If you are a person whose hobby is reading, you should be in the library. The Library Assistants are a group of people who have the pleasure of reading from not only books of literary fiction, but also books of science fiction and non-fiction. The assistants assist teachers with setting up and running audio-visual equipment, and have been successful in raising money for the school. It is a great experience and a required activity for membership.

national honor society initiates new members

The National Honor Society is an honorary organization of Juniors and Seniors who exemplify high academic and character standards. Its purpose is to recognize the students who have excelled academically and have shown qualities of scholarship, leadership, service, and character. The club also strives to encourage the academic excellence and overall responsibility for education. Scholarship, leadership, service, and character are also important for membership.

fha attends district rally in charlotte

FHA is a very active club with an increasing number of interested members who really enjoy the benefits of being a member. They sponsor such activities as the FHA banquet, district rallies, candy sales and cookbook sales. The requirement to be in FHA is that you are enrolled in a Home Ec. class or have previously been enrolled. The club officers are Pres. Judy Bennett, V. Pres. Debra Hough and Darlene Bell, Sec. René Washington, Parliamentarian Karen Wooten, and Recreation Leader Gay Clark.

ffa float in christmas parade

FFA is a group of fine young students who help to keep the traditions of hard working plowboys alive. The requirement for membership is to be in an agriculture class at North Star.

Some activities sponsored are volleyball games, a rifle shoot, selling citrus fruit and Christmas poinsettias. For the past couple of years our FFA has been in competition in land judging, and last year we placed 12th in the state. Officers are President — Robert Stoker, Vice President — Marcus Harward, Secretary — Mike Sasser and Treasurer — Ricky Tucker.

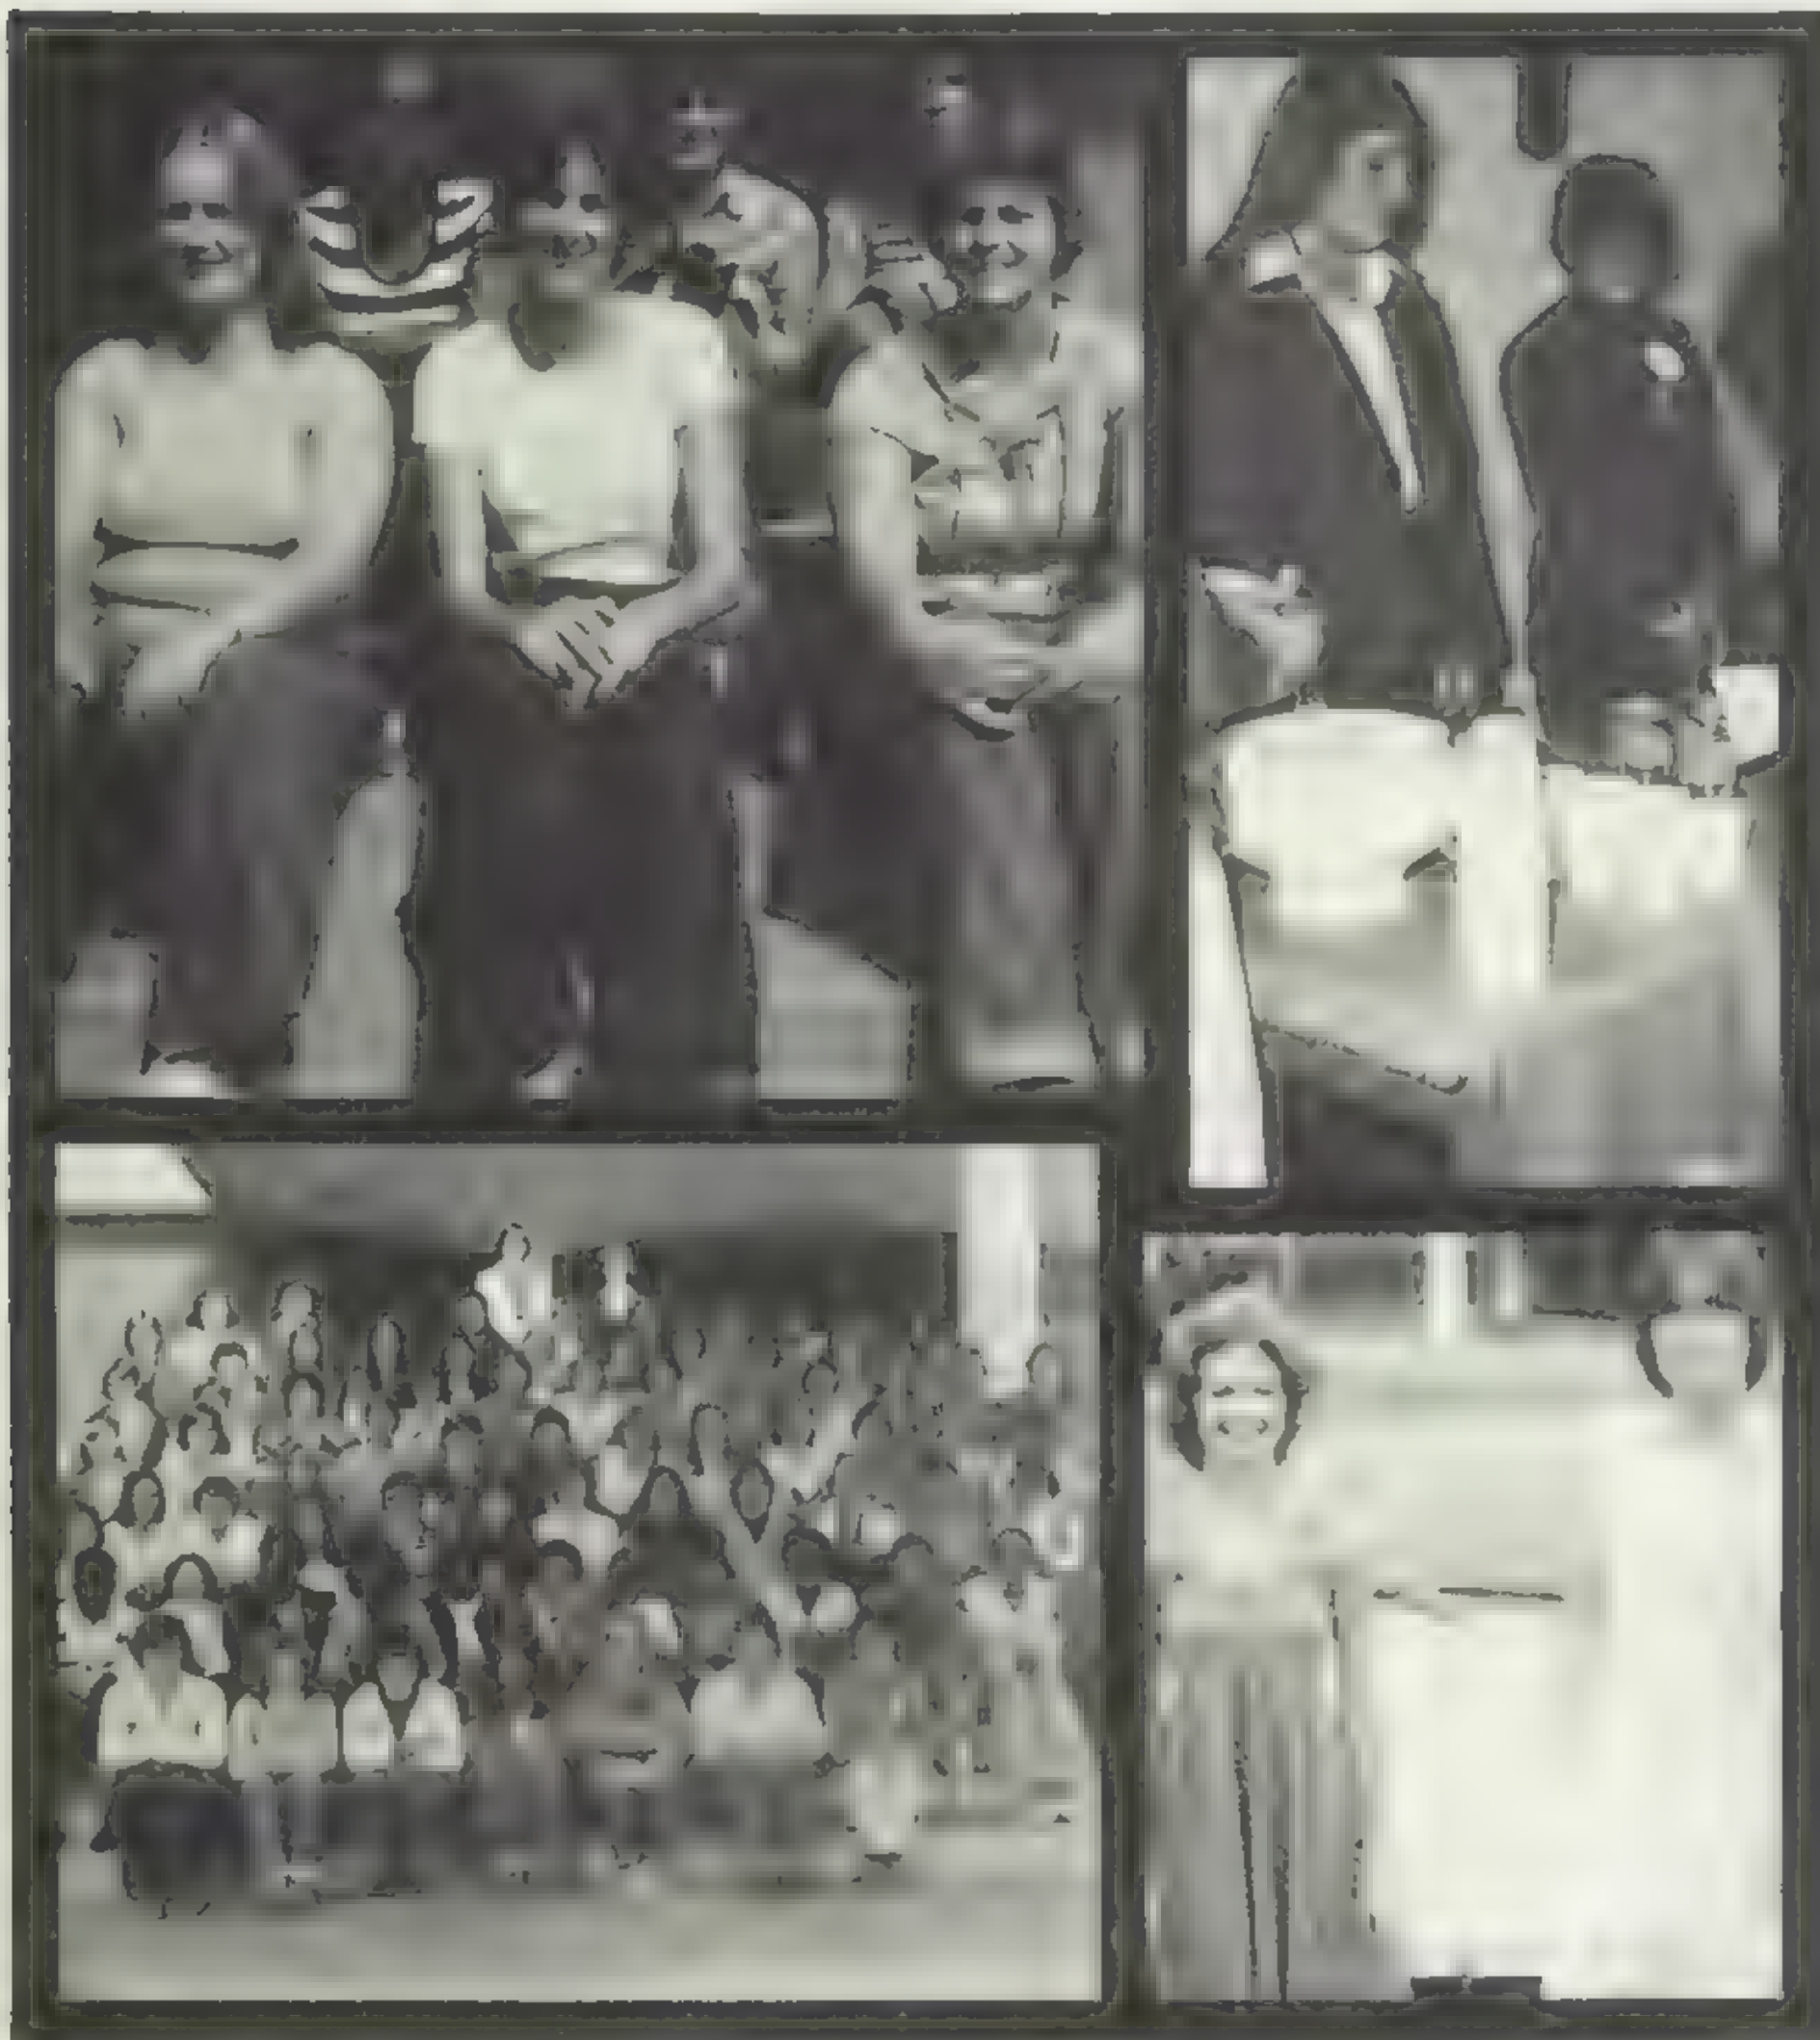

newly formed club promotes spirit

Go, bananas, go, go, bananas! If you are crazy, full of spirit for your school, then the Banana Club is for you. The club consists of about twenty members with Mrs. Napier serving as sponsor. The club has sponsored a pillow fight, sold buttons, given a cash prize to the best decorated vehicle for the caravan to Abernethy. The requirements for membership are \$1.00 fee and to show school spirit. The club officers are President — Rod Phillips, Vice-President — Alan Gibson and Secretary-Treasurer — Liz Turner.

fbla holds district meeting at north stanly

Do you know what the letters F-B-L-A stand for? The Future Business Leaders of America is a national organization for all high school students taking a business or office course. The main purpose of the club is to develop competent, aggressive business leadership. Activities sponsored by the FBLA are the student directory, March of Dimes, and cake sale. Club officers are as follows: President — Jan Smith; V. Pres. — Lisa Brown; Sec. — Myra Page; Treas. — Terry Wagoner; Reporter — Rene Eady; Historian — Mildred Jackson.

french club toured biltmore house

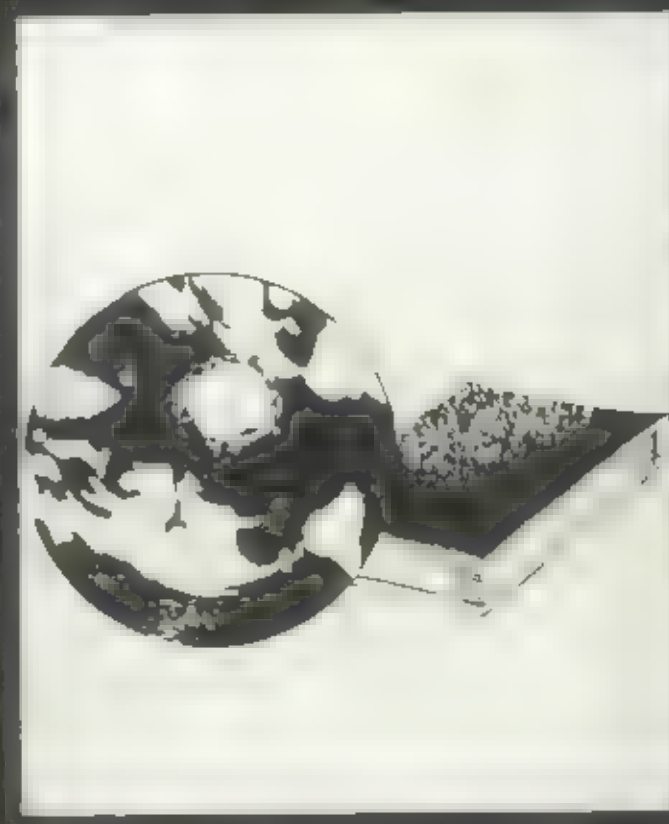

Parlez-vous francais?

Doughnut sales are held each year by the French club to raise money for club projects. They usually visit a French restaurant and enjoy the many French foods. In early November they visited the Biltmore House in Asheville. The French Club consists of students taking a French course who are interested in learning more about France. Mrs. Davis sponsors the club. The President of this club is Lynn Dye and the Secretary is Regina Furr.

school christmas tree decorated by history club

Did you know that in 1824 you could buy 4,428 acres of land for as little as \$30? The students who are enrolled in a history course and wish to learn more about the historical value of our nation compose the history club. The club meets at special times and the programs usually consist of films and guest speakers. In late October, Dr. Cotton, a retired professor from Pfeiffer College, presented the club with many facts about maps of Stanly County. The club usually takes a field trip in the spring.

professor from pfeiffer talks to club

Do you want to learn what science is all about and more of the interesting aspects of it? Then the science club is for you. There is only one requirement to be in the science club and that is just to be interested in science. The club is planning a field trip or two for this year and more exciting events. The club officers are: President — Steve Martin, Vice President — Rodney Carter, Secretary — Audrey Pickler, and Treasurer — Cathy Oaks.

salamagundia club publishes magazine

Are you gifted in the area of literature or art? If you are, then you belong in the SALAMAGUNDIA CLUB. The club, sponsored by Mrs. Morgan, publishes an annual magazine. It contains outstanding poems and pictures by the club members. To be a Salamagundian you must be accepted by the other members. The officers are President — Liz Turner, Vice President — Melani McAlister, Secretary — Kelly Baker, Treasurer — Loretta Winfree.

chorus provides christmas entertainment

The chorus is composed of H.S. students who demonstrate an interest in music and singing. During the year the chorus provides music for school and community activities. Members of the chorus sang the National Anthem at some of the home football games and provided some Christmas entertainment for the students and faculty.

nshs band receives "superior" at

A North Starly band member has two jobs during the year. The first is Marching Season. It starts off with Band Camp during the summer. This consists of a lot of discipline and patience that is needed to endure the 98° temperature, constant repetition of drills, plus a little yelling from the Band Director and the Drum Major to get everything just right.

Under the direction of Miss Carlin Heworn and Drum Major Dennis Hodges the band was able to be very active during the '77 Marching Season. Pre-game and half-time performances at football games started off the season, continuing with a performance at the Shrine Bowl in Charlotte, marching in parades, and competition in the Southeastern Band Festival at Bristol, Tennessee.

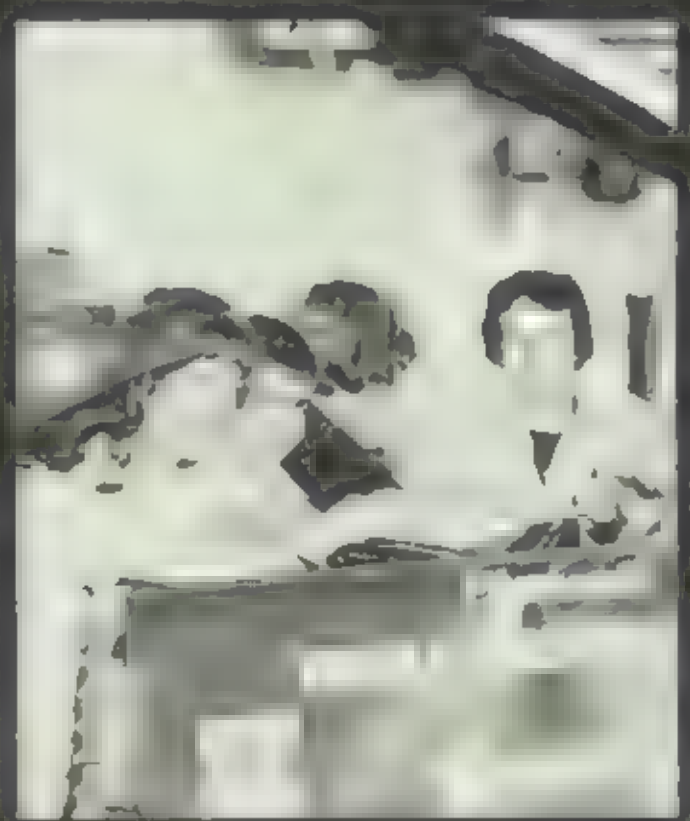

southern states band festival

The second job of a North Starly Band member is concert band, which occupies the second half of the school year. Much practicing is done in and out of school in order to perform in the Christmas Concert, Spring Concert, and to prepare for an appearance in the North Carolina Music Educators Association Band Contest.

auto mechanics restore old cars

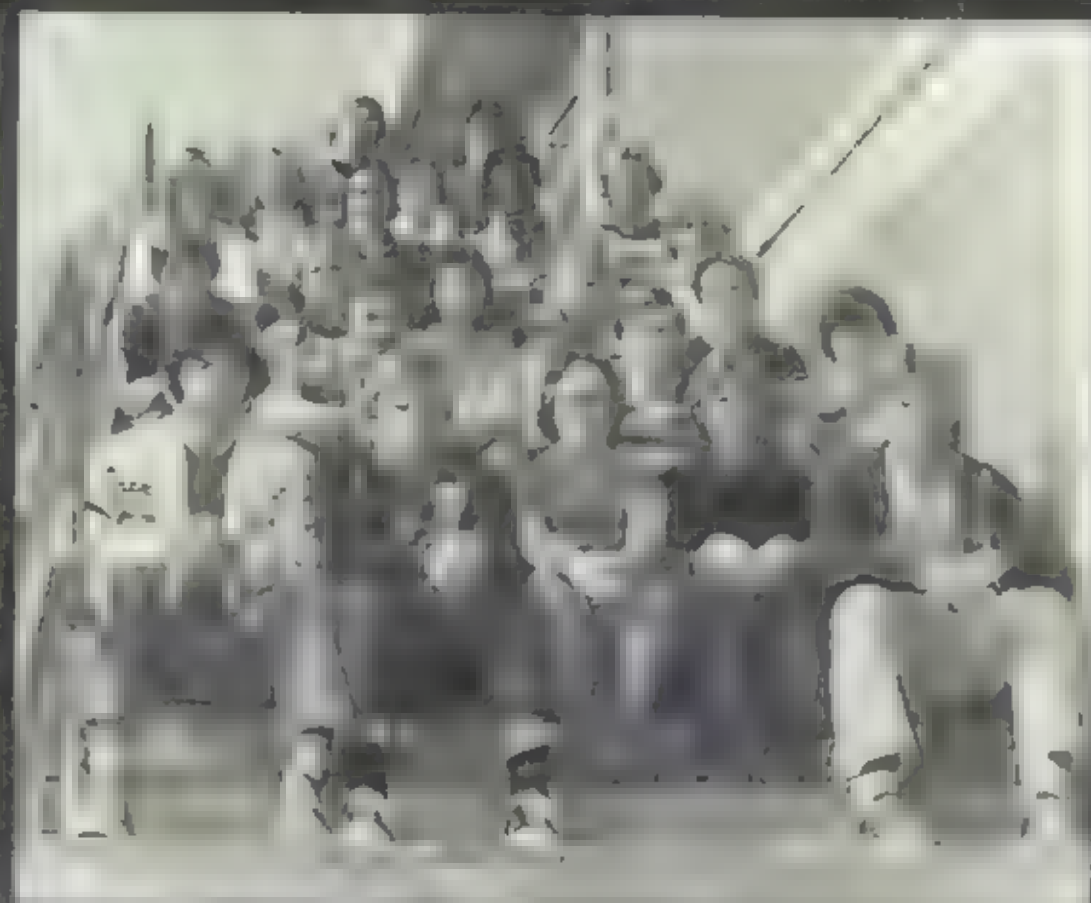

Trade, industrial, technical, and healthy students are requirements for membership. The purpose of this club is to serve vocational industrial youth. Activities sponsored by VICA — Auto Club are sales campaign, active state competition, cookouts, and dinners. The club officers are President — Rufus Fulcher, Vice President — Rickey Mills, Secretary — Mike Bailey, Treasurer — Todd Hunneycutt and Parliamentarian — Clay Mabry.

vica sponsors leadership and skills contests

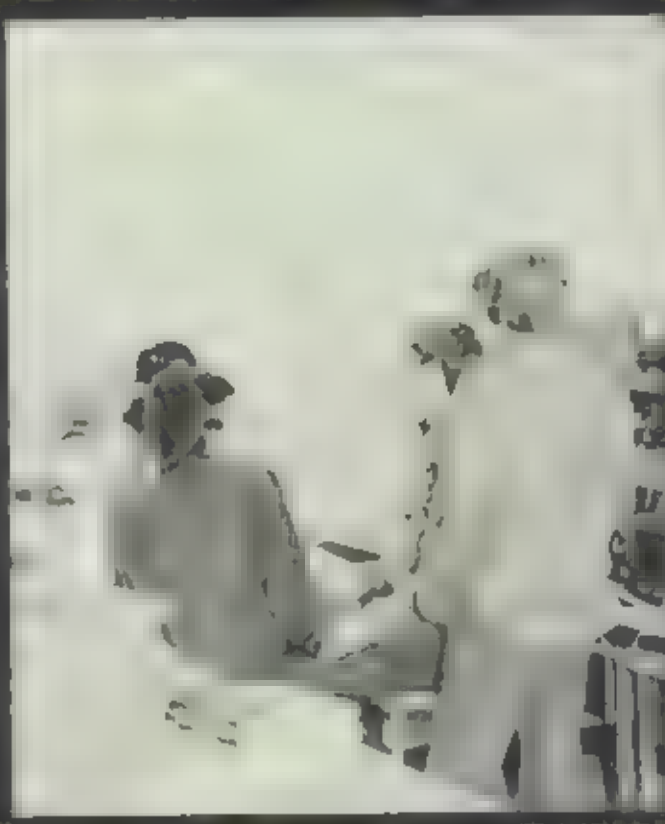

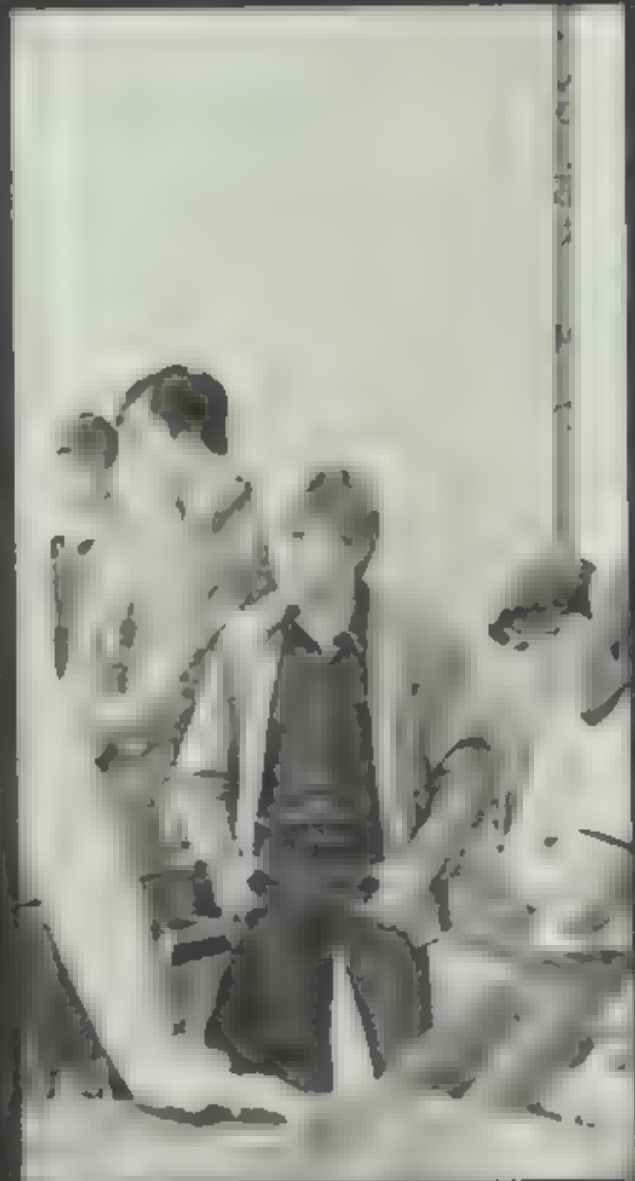

Building a house would not be complete without North Stanley's future bricklayers. The club is sponsored by Mr. Huel Parks. They have built storage places onto the baseball dugout and helped with the county-wide house that was built.

Vocational Industrial clubs of America are to unite all students enrolled in drafting. VICA sponsors leadership and skills contests, field trips, and attends social gatherings.

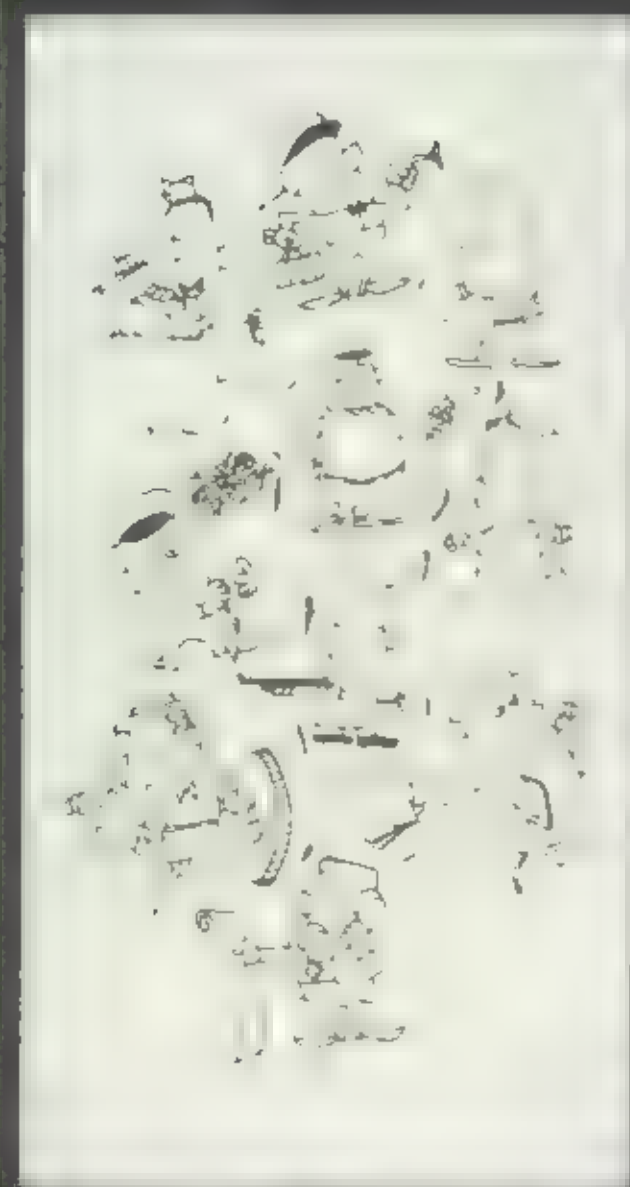

electronics-vica sponsors haunted house

To promote leadership, to develop proper club order, and to include teamwork among the club members in order to reach a common goal is the purpose of the club. The club sponsors activities, such as an annual haunted house. They're involved in District and State-level VICA activities such as school leadership contests and Vica elections. You must be enrolled in an electronics course or have passed two years of electronics to be in the club. The club is striving to become a major part of VICA and NORTH STANLY.

deca: future business executives

EXPLORER POST OF ALBEMARLE — 282 NSHS

PRESIDENT — Dennis Hodges

VICE PRESIDENT — Jeff Carter

SEC/TREASURER — Linda Swann

"The Exploring program includes challenging physical and mental activities. The North Stanly Explorer Post was started in November of '76. Since then we've climbed and rappelled at Bald Mtn., Shortoff Mtn., Table Rock, and Crowder's Mtn. We've canoed over 60 miles at Land Between the Lakes in Kentucky, and we've camped and hiked endless times. The post is made up of approximately 40 members and one advisor who enjoy all types of outdoor activities from snow skiing to playing football. Our goals for 1978 are to go sky diving, to climb higher and larger mountains, and to go on a high adventure sailing trip in Miami."

bus drivers . . . moving on

Who would be crazy enough to wake up at 5:30 in the morning, go out in the rain, sleet, snow, and cold to pick up 66 students? No one other than a bus driver. The life of a bus driver is never dull. Requirements to drive a bus are that you have to go to a bus driver's class and receive a bus driver's license.

cps students aid nshs and elementary teachers

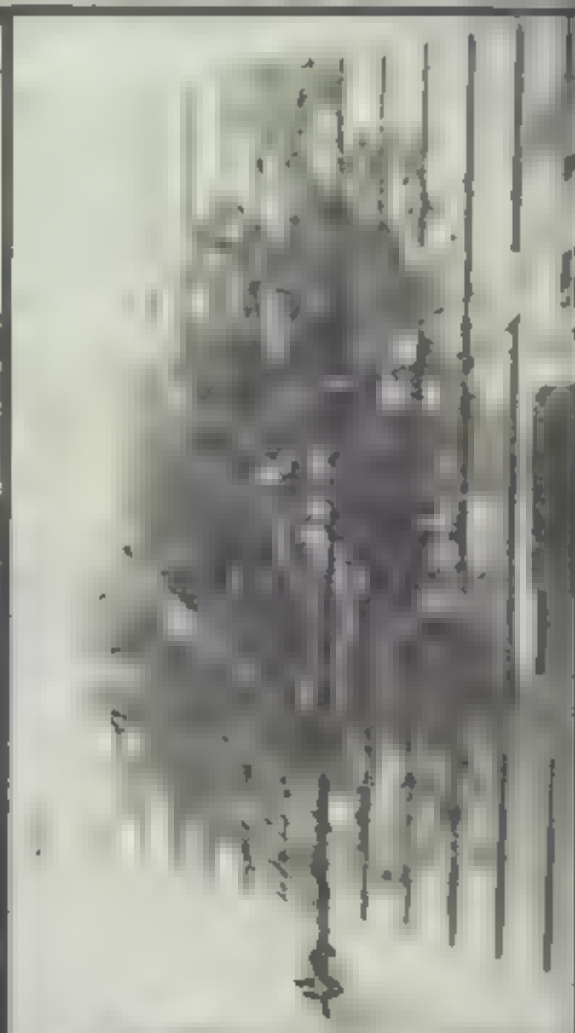

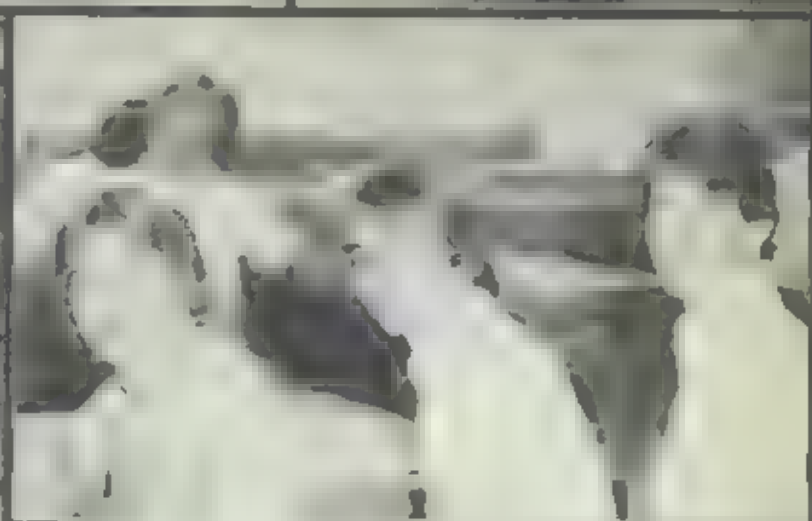

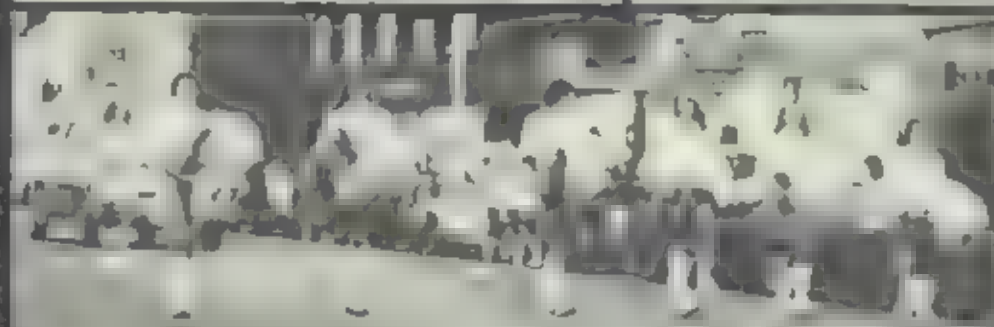

Checking papers, running off papers, putting up bulletin boards; if these things sound familiar, you must be a CPS student. CPS students are usually juniors and seniors who help teachers in every way they can. CPS I are students who travel to New London, Baden, Richfield and Endy. CPS II are the students who help teachers at North Star.

chess club deadlocks in match

If you wish to achieve a better understanding of the game of chess, then you should belong to the chess club. To be a member you must attend the monthly meeting. They'll capture your knight, or put your king in checkmate, but you will still be fascinated by the game. This extraordinary club is sponsored by Mr. Finney. The President is Lester Ridenhour and David Stiller is the Secretary.

A comic strip in your yearbook?

This is our ad
Maybe it's funny; maybe
it's corny.
But at least it's different.
Because we think we're
a different kind of Company.
Burlington is Number One in
textiles and related products.
And high school graduates
are the kind of people we

need to keep us on top.
If you're looking for a job,
look us up.
If you're going on to college,
remember our name.
Burlington.
The company who didn't just
say, "Congratulations, Seniors"
in your high school yearbook

Gayle,
It gives me a
great pleasure to
sign your annual, cause
knowing such a person as
yourself is really right on time,
remain Sweet Always, it's the best sign
in the world. Gayle, "79" its really going to be
our year, class of "79" and everyone will stand up
for us, this year is almost over and "Lew" has it
passed slowly but we can wait a while longer, were
waded this home. Ill never forget the good times
we had together. Chorus was really the 3rd period actino
up with Judy. Chorus was really the jam, the place
where black folks met to get off and have a good
time, no half stoppin. This year has really been a
time to remember and Ill never forget it.
"Remain the Same Always?"
Gayle,
It has really
been nice getting
to know you this
in ^{your} annual. You have
a lot going for you
Stay as you are.

GAYLE

IT GIVE ME A GREAT PLEASURE KN
TO SIGN YOUR ANNUAL THIS YEAR
I HOPE TO SEE MORE OF
YOU IN THE YEARS TO COME
